

CCD Grades 1, 3 & 4

The Entirety of our CCD Program will be done at home and will consist of online learning and online testing.

- There are approximately 31 online Chapters (plus Unit Tests) to be completed before the end of the CCD Year which will be May 28, 2021.
 - The Number of Chapters will be different for each grade.
- **A good rule of thumb would be to complete at least 1 Chapter Lesson per week until finished, being sure to also complete the Unit Tests for each section.**

This year our onsite activities will be limited to our 1st Communion Class, and our elementary and high school Youth Groups.

We hope to be able to have Vacation Bible School this coming summer which will be for 1st through 4th graders.

- September 30** Fr. Massie will be hosting a tutorial for any parent/student who is having trouble accessing the online classes, and will answer questions about the new CCD format.
- October 10** Public Rosary on the grounds of St. Ann's church Saturday morning (Time TBD)

March 8 (MONDAY) – 5:30-6pm Safe Environment Training for 1st – 4th Grade Students & Parents

Thank you for your prayers and for teaching your children their faith.

If you have any questions or concerns, please feel free to contact Mrs. Ginny Ardoin, our Elementary CCD Coordinator, at elementaryccd@saintannmamou.org.
